

HOW TO CONNECT A VETERAN TO HOUSING IN METRO DENVER

Verify VA Eligibility & Get Registered

Veterans need to have their Veterans Affairs (VA) eligibility verified by VA staff before they can access VA housing and healthcare services.

1 VERIFY VA ELIGIBILITY

- Call **877-222-8387** or go to Access Point
- Eligibility is usually determined with a veteran's full name and full social security number
- Sometimes veterans need a copy of their DD-214 to prove active-duty status
- Eligibility is complicated and unique to each veteran

2 REGISTER WITH THE VA

- Once a veteran is verified as fully eligible or humanitarian, they must submit a **10-10** enrollment form and a copy of their DD-214 to register with the local VA
- Anyone can order a DD-214 here
- Veterans can also **call 877-222-8387** to get registered over the phone.
